

26 January 1959

MEMORANDUM FOR: Director of Logistics
THRU : Chief, Management Staff
Administrative Staff, CR
SUBJECT : Justification for a Calculator
REFERENCE : CIA Regulation 7-200

1. It is requested that the Office of the Chief,
Document Division, OCR, be furnished with a Remington Calculator
Model 99.

2. This machine will be used to compile annual, quarterly,
and monthly statistics for the Division as well as for the various
Branches in the Division and will be available for use by the other
Divisions of OCR. [REDACTED] There are no other
calculators available which can be used for these purposes; the
Administrative Staff, OCR has one, but it is used daily by them.
